WORKING PROCESS

Our working process ensures a smooth, efficient, and stress-free experience for our clients. We prioritize open communication, transparency, and attention to detail to deliver exceptional results. We follow a structured approach to ensure seamless execution and exceptional results. Here's an overview of our working process:

1. Initial Consultation:

- ❖ We begin by scheduling an initial consultation with the client to discuss their requirements, vision, and budget for the project.
- ❖ During this meeting, we gather information about the space, existing design elements, and any specific needs or preferences the client may have.

2. Concept Development:

- ❖ Based on the information gathered, our team of designers develops initial concepts & design proposals tailored to the client's vision and objectives.
- ❖ We present these concepts to the client, incorporating their feedback and making any necessary revisions to ensure alignment with their expectations.

3. Design Refinement:

- ❖ Once the concept is approved, we proceed with refining the design details, including space planning, material selection, color schemes, and furniture layouts.
- ❖ Our designers collaborate closely with the client to finalize the design, making adjustments as needed to achieve the desired outcome.

4. Procurement and Planning:

- ❖ With the design finalized, we create a detailed procurement plan, outlining the materials, furnishings, fixtures, and equipment required for the project.
- ❖ Our team manages the procurement process, sourcing high-quality materials and products from trusted suppliers while adhering to the client's budget and timeline.

5. Execution and Construction:

- ❖ Once construction is complete, we conduct a final walkthrough with the client to ensure their satisfaction with the finished project.
- ❖ We provide any necessary documentation, warranties, maintenance instructions & address any remaining tasks or punch-list items to ensure a smooth handover.

6. Client Communication and Updates:

- ❖ We maintain open communication channels with the client throughout the project, providing regular updates on progress, milestones, and any changes or challenges encountered.
- ❖ Our team is readily available to address any questions, concerns, or requests from the client, ensuring a seamless and positive experience from start to finish.

7. Completion and Handover:

- ❖ We begin by scheduling an initial consultation with the client to discuss their requirements, vision, and budget for the project.
- ❖ During this meeting, we gather information about the space, existing design elements, & any specific needs or preferences the client may have.

8. Ongoing Maintenance and Support:

- ❖ Beyond project completion, we offer ongoing maintenance services to keep the space looking and functioning its best.
- ❖ Our team conducts routine inspections, repairs, and upkeep as needed, ensuring the long-term durability and performance of the design.

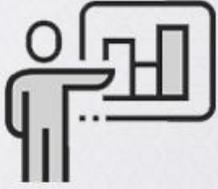

9. Quality Control and Assurance:

- ❖ Throughout the construction process, we conduct regular quality control inspections to monitor progress, identify any issues or deviations from the plan, and ensure that work meets our high standards of excellence.

10. Client Feedback and Evaluation:

- ❖ We value feedback from our clients & encourage them to share their thoughts & experiences with us.
- ❖ Through client feedback and evaluation, we continuously strive to improve our processes, services, and customer satisfaction.
